SKIN CREAM

**Indication:** treatment of fragile or damaged skin

- Reinforcement of epidermal barrier function
- Limitation of epidermal water-loss
- Promotion of superficial skin damage healing

Tube 40g
DESCRIPTION

- **UrgoRepair** is a new restorative skin cream composed of hyperoxygenated essential fatty acids (60% linoleic acid) containing no preservatives (parabens) or known allergens.
- **UrgoRepair** has been specially formulated and developed for the treatment of damaged or fragile skin.

**COMPOSITION:** Hyperoxygenated essential fatty acid glycerides (60% linoleic acid), tocopherol acetate (vitamin E), grapefruit fragrance, excipients.

BENEFITS

- Due to its composition of hyperoxygenated essential fatty acid composition which is rich in linoleic acid, **UrgoRepair** reinforces the epidermal barrier function and recreates the hydrolipidic micro-environment, necessary to maintain the trophicity of the skin.
- **UrgoRepair** also:
  - corrects skin dryness and creates an effective barrier to limit trans-epidermal water loss,
  - promotes the healing of superficial skin damage.

INDICATIONS

- **UrgoRepair** is indicated in the treatment of:
  - Impaired cutaneous integrity: dry, fragile, thin and scaly skin in the elderly
  - Cutaneous atrophy due to vascular insufficiency of the lower limbs (chronic venous insufficiency) or of iatrogenic origin (systemic corticosteroid therapy, chemotherapy)
  - Epidermal damage to the skin surrounding leg ulcers (stasis dermatitis)
  - Itchy, irritated skin conditions secondary to excessively dry skin (xerosis)
  - Impaired skin hydration, with dryness, cracking and localised hyperkeratosis in diabetic patients

DIRECTIONS FOR USE

**METHOD OF USE**

- Apply a thin layer of the required amount of **UrgoRepair** to the skin. Gently massage with your fingertips to aid absorption.
- Repeat applications 2 to 3 times daily if necessary.
- **UrgoRepair** is compatible for use with a secondary dressing or compression bandaging.

**CONTRAINDICATIONS**

- Infected skin lesions or those at high risk of infection

**PRECAUTIONS FOR USE AND WARNINGS**

- Keep out of the reach of children
- Do not ingest – for external, topical use only
- Ensure **UrgoRepair** is fully absorbed before applying a secondary dressing or compression
